UW: AUCTION SALE

The Upper West Regional Police Command announces for the information of the general public that, it will embark on auction sale of a number of unclaimed and abandoned vehicles, motorbikes and bicycles.

The above exercise became necessary due to the congestion caused by these unclaimed and abandoned machines across Police premises in the Upper West Region.

The exercise is scheduled to commence from 5th January, 2023 at 10:00am at the Regional Police Headquarters/Wa and continue through the other Districts.

The Command anticipates your usual cooperation during the exercise.
